

# Beware of Human Traffickers — Keep Your Social Media Safe!

## How to turn on privacy controls:

### Snapchat:

Tap emoji face in top left corner,  
Tap settings icon in top right corner,  
Scroll down to “WHO CAN”,  
Contact Me >> **My Friends**  
View My Story >> **Friends Only**  
See Me In Quick Add >> **enable or disable**  
See My Location >> **enable Ghost Mode** (or select customization)

### TikTok:

Tap ME in bottom right corner, Tap 3 dots on right,  
Privacy and Safety >> **enable Private Account**  
**Unclick “Allow Others to Find Me”**  
Safety >> **Select “Friends” for all**

### Instagram:

From profile page, Tap 3 lines in right corner,  
Settings icon at the bottom,  
Privacy >> Account Privacy >> **Private**

### Facebook:

Tap 3 lines in right corner, scroll down to Settings  
Security >> Location >> choose option,  
Privacy Settings >> **Make selections under Your  
Activity and How People Find and Contact You.**

### WhatsApp:

Visit this website > <https://tinyurl.com/y3mmohae>

### YouTube:

In Settings, make sure you **turn on Restricted Mode.**  
\* If you're on the website, log out, log back in and go  
to settings to confirm it now says ON. In the app, pull  
down the screen to refresh then confirm ON.

**Any app that has a  
chat platform can be  
used by traffickers.  
Even online gaming  
like Minecraft, Roblox,  
Discord and even  
Words With Friends.**
